

# Foreclosure activity is way up. There's an opportunity there - if you're prepared.

To work effectively with investor buyers, or to find short sale and REO opportunities, you need the right information - at the right time.

You'll get it with a [ForeclosureRadar subscription](#). Foreclosure radar tracks every California foreclosure - preforeclosure, auction and REO - for you. We're the only company that offers daily tracking of auctions, and the only service with a suite of tools and analytics built right in.

- Become the foreclosure and investment specialist in your market
- Display FREE foreclosure search on your website
- Find short-sales and motivated sellers before anyone else
- Identify REO opportunities

The truth is, most REALTORS don't know the first thing about foreclosures. That spells opportunity for you. ForeclosureRadar gives you all the information and all the tools you need to get involved.
