The rules of business are changing, especially in the real estate industry. **NAR's e-PRO® Certification Program** is designed to help REALTORS® thrive in the exciting and rewarding world of online real estate.

The Program provides the insight needed for you to remain at the forefront of the online real estate industry.

Learn:

- Options and requirements to Get Connected
- Best practices for e-mail communication and online marketing
- How to create and maintain your Internet Marketing and Practices Plan

Plus:

- Connect with an Online Community and Nationwide Referral Network
- Earn CE credit (available in several states)
- You have six months to complete the course, at your own pace, wherever and whenever you choose
