In the event that an inspection is not fully completed prior to the Close of Escrow, Buyer shall be

WATER CONSERVING PLUMBING FIXTURES:

California Law requires owners of single-family residential property built before 1994 to install water conserving plumbing fixtures by 2017. Additionally, if any such Property is altered or improved, then water conserving plumbing fixtures must be installed as a condition of final permit approval (Cal. Civil Code Section 1101.4). Although California law does not make compliance with this statute a point of sale requirement (condition of sale), this Addendum shall establish which of the undersigned Parties is responsible for compliance with this law.

- A. Seller Responsible: Seller either (a) has complied with retrofitting the Property with compliant water conserving plumbing fixtures; or (b) prior to the close of escrow, shall pay for the retrofit of all non-compliant water conserving plumbing fixtures with compliant fixtures of quality comparable to existing fixtures.

- B. Buyer Responsible: Buyer shall be responsible and pay for all expenses in retrofitting all non-compliant water conserving plumbing fixtures with compliant fixtures after the Close of Escrow, or as specified in the Permit Work paragraph below.

POOL/SPA SAFETY DEVICES

To prevent drowning of children four (4) years of age and under, California law requires owners of single-family residential property with a pool and/or spa to install at least 2 of 7 safety devices. Home inspection reports used in the sale of single family residence must disclose if the Property has any pool and/or spa safety devices. If the Property is altered or improved, then at least two (2) safety devices must be installed as a condition for final permit approval (Cal. Health & Safety Code Section 115925). Although California law does not make compliance with this statute a point of sale requirement (condition of sale), this Addendum shall establish which of the undersigned Parties is responsible for compliance with this law.

- A. Seller Responsible: Seller either (a) has complied with retrofitting the Property with at least two (2) drowning prevention devices; or (b) prior to the Close of Escrow, shall pay for and retrofit the Property with two (2) drowning prevention devices as required by state law.

- B. Buyer Responsible: Buyer shall be responsible and pay for all expense in retrofitting the Property with two (2) drowning prevention devices as required by state law after the Close of Escrow, or as specified in the Permit Work paragraph below.

PERMIT WORK PRIOR TO CLOSE OF ESCROW

The Parties understand, acknowledge and agree that, in the event there is an agreement that the Seller will perform any repairs prior to the Close of Escrow that constitute alterations or improvements at the Property will require the issuance and finalization of a permit, the governing agency will require that the Property be retrofitted with compliant water conserving plumbing fixtures as a condition of finalizing the permit and/or at least two (2) drowning prevention devices; in the event, **the Party designated above shall be responsible for the expense of such retrofitting regardless of who is paying for the work necessitating the permit.**

NOTE: (a) the interpretation as to what constitutes an alteration or improvement may differ in different jurisdictions and (b) real estate licensees cannot predict what interpretation will be used at any point in time by any permit issuing entity.

Other ordinances: Jurisdictions have ordinances that may affect the use, value or enjoyment of your Property. You are advised to visit the appropriate website or offices of the appropriate jurisdiction to determine whether the Property is in an area regulated by such ordinances.
